

List of papers presented at
**2002 Dubrovnik Conference on Sustainable Development
of Energy, Water and Environment Systems**
held in Dubrovnik in 2002,
and proposed for publishing as a
Special Issue of journal Thermal Science
in 2005

Paper 13: Development of Own Solar Testing Station for Flat-plate Water-cooled Solar Collectors

18 Muhamed Koric, Unioninvest dd, Bosnia and Herzegovina
19 Sadjit Metovic*, University of Sarajevo, Bosnia and Herzegovina
20 Haris Lulic, University of Sarajevo, Bosnia and Herzegovina
17 Emin Kulic, University of Sarajevo, Bosnia and Herzegovina

Paper 104: Comparative Analysis of the Solar Dish Electricity Production

250 Mihajlo Firak*, Faculty of Mechanical Engineering and Naval Architecture,
University of Zagreb, Croatia

Paper 186: Analysis of Sustainable HVAC System in Tourism Facilities at Adriatic Coast

430 Vlasta Zanki Alujević*, University of Zagreb, Croatia
431 Ivan Galaso, University of Zagreb, Croatia

Paper 187: Possibilities for Utilization of Renewable Resources for Electricity Generation in Bosnia and Herzegovina

433 Anes Kazagić, JP Elektroprivreda BiH, Bosnia and Herzegovina
432 Fajik Begić*, JP Elektroprivreda BiH, Bosnia and Herzegovina

Paper 133: Multi-Criterial Optimization of Construction Technology of Residential Building Upon the Principles of Sustainable Development

311 Esad Mulavdic*, University of Sarajevo, Bosnia and Herzegovina

Paper 41: Predicting and Reduction of Environmental Effects of Mining Activity in the Polish Part of Carpathians

75 Barbara Radwanek-Bak*, Polish Geological Institute, Poland

Paper 107: Sustainable Energy Path

255 Hiromi Yamamoto*, Central Research Institute of Electric Power Industry (CRIEPI), Japan
256 Kenji Yamaji, The University of Tokyo, Japan

Paper 127: Slagging and Fouling in Biomass Co-Combustion

296 Ana Abel Tortosa Masiá*, Technical University of Delft, Netherlands
297 F. Ahnert, Technical University of Delft, Netherlands
298 H. Spliethoff, Technical University of Delft, Netherlands
299 J.-C. Loux, University of Stuttgart, Germany

Paper 46: Modelling of Energy and Environmental Costs for Sustainability of Urban Areas

86 José Alfonso Aranda Usón*, CPS - University of Zaragoza, Spain

87 Ignacio Zabalza Bribián, CPS - University of Zaragoza, Spain

88 Sabina Scarpellini, CPS - University of Zaragoza, Spain

Paper 148: Energy Accounting of Italian Electric Power Production

338 Ludovico Susani*, University of Siena, Italy

339 Valentina Niccolucci, University of Siena, Italy

340 Simone Bastianoni, University of Siena, Italy

Guest Editors:

Assist. Prof. Neven Duić

Prof. Naim H. Afgan

Prof. Željko Bogdan

Editor-in-Chief: Prof. Simeon Oka
